

AGN. NO. \_\_\_\_\_

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

May 19, 2009

The County of Los Angeles (County) owns a 37,597 square foot office building (Building) on 29,860 square feet of land located at 10961 Pico Boulevard in the City of Los Angeles (Property) that is vacant and considered surplus to any present or foreseeable County needs. The Building formerly served as an office for the Department of Public Social Services (DPSS). Due to the functional obsolescence of the Building, the program was relocated to a new, leased facility at 11110 Pico Boulevard which was specifically designed for the services provided by DPSS.

On March 27, 2007, under the authority of Section 26227 of the Government Code, the County approved an Option Agreement for Sale of Real Property (Option Agreement) that granted Menorah Housing Foundation (Menorah), a non-profit, non-sectarian organization that constructs and manages affordable housing developments with a focus on senior citizens, an option to purchase the Property for the purpose of developing approximately 46 units of affordable housing for very low-income seniors (Project).

Menorah's exercise of its option to purchase the Property was predicated upon several conditions that have since been satisfied, including among other things: (i) securing financing commitments from lenders to construct the Project, (ii) securing approval from the City of Los Angeles (City) to build the Project, (iii) obtaining an environmental finding by the City as lead agency that the Project is in compliance with the California Environmental Quality Act (CEQA), and (iv) payment of an option fee.

On December 12, 2007 Menorah created the Pico Veteran Senior Citizen Housing Corporation (Pico Veteran), a non-profit public benefit corporation, as required by the Department of Housing and Urban Development, to be the legal owner of the residential portion of the Project. Menorah will be the owner of the commercial portion of the Project.

Upon exercise of the option, Menorah and Pico Veteran will purchase the Property for its appraised value of \$2,000,000. The purchase price consists of \$400,000 in cash, \$5,000 of which has been paid by Menorah as an option fee for the commercial portion. The remaining \$1,600,000 will be paid in the form of a Promissory Note payable over 55 years. The Loan Agreement and Promissory Note require Pico Veteran to provide rental housing for very low-income seniors on the Property. The residential portion will be financed by residual receipts promissory note (Promissory Note) and secured by a deed of trust executed by Pico Veteran (Deed of Trust).

The Board's approval of the Option Agreement did not constitute an activity which may cause a direct physical change in the environment, nor a reasonably foreseeable indirect physical change in the environment. However, the Board will need to make a finding that the sale of surplus County property to Menorah and Pico Veteran, upon the exercise of Menorah's option, is categorically exempt under Section 15312 of CEQA Guidelines.

As stated in the attached Option Agreement for the Property, the County will convey the Property to Menorah and Pico Veteran using two quitclaim deeds. A portion of the Property conveyed for the purchase price of \$395,000 will be used for Menorah's offices. The remainder portion of the Property, to be used as the senior residences, will be secured by the Promissory Note subject to the following conditions: (i) that the Property will be developed as a mixed-use, residential and commercial Project with approximately 46 residential units and no more than 10,000 square feet of office and community room space on the ground level; (ii) that over the entire mortgage term of 55 years, 45 of the 46 residential units developed shall be affordable to

PAGE 3

“very low income households” (one unit will be reserved for a resident manager), as said term is defined in Section 50105 of the Health and Safety Code; (iii) that over the entire mortgage term of 55 years, the residential portion of the Project shall be leased only to seniors 62 years of age and older; and (iv) that the foregoing restrictions shall be contained in the Deed of Trust and regulatory agreement recorded against the Property.

The County has requested the Housing Authority of the County of Los Angeles (Housing Authority), which has extensive experience managing affordable housing projects for the County, to provide consultant services to the County's Chief Executive Office (CEO) by overseeing all present and future administrative functions concerning this Project. These functions will include the negotiation, execution, and monitoring of the Loan Agreement, the Deed of Trust securing the Promissory Note, the Covenants, Conditions and Restrictions, and any other related documents. Additionally, the Housing Authority will monitor the loan and review submitted audited annual financial statements to ensure compliance with loan terms. The Housing Authority will also provide an annual monitoring report to the CEO detailing Pico Veteran's compliance with the terms and conditions of the Promissory Note and Deed of Trust for a one-time fee of \$20,930. The costs for the Housing Authority's consultant services, any future administrative functions that may be required, and monitoring the Property on an annual basis will be reimbursed to the Housing Authority from the purchase price of the Property up to \$40,000.

THEREFORE, AS AUTHORIZED BY GOVERNMENT CODE SECTION 26227, I,

**THEREFORE, MOVE** that the Board of Supervisors:

1. Find that the County-owned real Property, as shown on the attached map and legally described in the Quitclaim Deeds, is no longer necessary for the County or other public purposes.

2. Certify that the Board, as a responsible agency under CEQA, has independently considered and reached its own conclusions regarding the environmental effects of the proposed Notice of Exemption developed by the City of Los Angeles as lead agency; determine that the attached document adequately addresses the environmental impacts of the proposed Project; and find that your Board has complied with the requirements of CEQA with respect to the process for a responsible agency and adopt, by reference, the City's Notice of Exemption.
3. Find that the sale of the surplus Property is categorically exempt under Section 15312 of CEQA Guidelines.
4. Find that use of the Property to provide rental housing affordable to very low-income seniors will serve public purposes.
5. Approve the sale of the County's right, title and interest in the property located at 10961 Pico Blvd. in the City Los Angeles to Menorah Housing Foundation and Pico Veteran Senior Citizen Housing Corporation, and instruct the Chairman to execute the attached Quitclaim Deeds.
6. Instruct the Auditor-Controller to deposit all of the proceeds generated by this transaction, with the exception of the funds to be reimbursed to the Housing Authority for its consultant services, into the existing Countywide Affordable Housing Fund, administered by the Housing Authority, to be used to supplement other affordable housing funding sources available to the County.

**I FURTHER MOVE THAT THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF THE COUNTY OF LOS ANGELES:**

1. Find that the acceptance and incorporation of funds for reimbursement of consultant services for administrative activities associated with vacant surplus County-owned property located at 10961 Pico Boulevard in the City of Los Angeles is not subject to the

CEQA because the proposed activity is not defined as a project under CEQA and will not have the potential for causing a significant effect on the environment.

2. Authorize the Housing Authority to provide consultant services to the CEO by overseeing all present and future administrative functions concerning this Project, The Housing Authority will also monitor the loan and provide the CEO with an annual monitoring report of Pico Veteran's compliance with the Housing Authority's loan requirements.
3. Authorize the Housing Authority, as a consultant to the CEO, to negotiate, execute, and monitor the Loan Agreement, Promissory Note, and Deed of Trust in the amount of \$1,600,000 mandating annual residual receipts payment. The Promissory Note is to be secured by a Deed of Trust recorded against Pico Veteran's fee interest.
4. Authorize the Housing Authority, as a consultant to the CEO, to negotiate, execute, and monitor a mortgage subordination agreement with a construction lender for the purpose of allowing the construction lender to finance the Project in a first lien position so long as the County approves all the terms and conditions of the construction loan, and to record against the Property a regulatory agreement requiring development of the Property with approximately 46 residential units affordable to "very low income households" leased only to seniors 62 years of age and older. The regulatory agreements will provide that notwithstanding the foregoing restrictions, in the event of a foreclosure under the construction loan, the purchaser would be required to develop the Property with residential units affordable to "lower income households" as defined in Health and Safety Code Section 50079.5 and leased only to seniors 62 years of age and older.
5. Authorize the Housing Authority, as a consultant to the CEO, to negotiate, execute, and monitor any other documents necessary to complete the sales transaction upon approval as to form by County Counsel.

PAGE 6

6. Authorize the Acting Executive Director to accept and incorporate up to \$40,000 in the Housing Authority's Fiscal Year 2008-2009 approved budget, for administrative costs for the purposes described above.

**OPTION AGREEMENT FOR SALE OF REAL PROPERTY BY AND BETWEEN  
MENORAH HOUSING FOUNDATION AND THE COUNTY OF LOS ANGELES**

This Option Agreement ("Agreement") is made and entered into this 8TH day of JUNE, 2007, by and between the MENORAH HOUSING FOUNDATION, a California corporation ("Menorah"), and the COUNTY OF LOS ANGELES, a body corporate and politic ("County").

**RECITALS:**

1. The County is owner of certain real property located at 10961 West Pico Boulevard, in the City of Los Angeles, County of Los Angeles, State of California, legally described in **Exhibit "A"**, attached hereto and incorporated herein by this reference, which is presently improved with a vacant 37,000 square foot three story office building and parking structure for at least 110 automobiles (hereinafter, the "Property");
2. Menorah and County agree that the Property is a suitable location for use as a development consisting of approximately 46 units of housing, 45 of which will be deemed affordable to senior citizens, with parking for at least 23 automobiles; and approximately 4,500 square feet of street level commercial space with parking for at least 9 automobiles (hereinafter the "Project");
3. Menorah desires an option to acquire the Property for the purposes outlined in Paragraph 2 above in accordance with the terms of this Agreement;
4. The parties hereby agree that Menorah's exercise of the option granted herein is predicated upon the following:
  - A. Menorah will secure approval to build the Project from the City of Los Angeles in the form of issuance of Ready to Issue building permits as that term is recognized by the City's Department of Building and Safety and a demolition permit from such Department to remove the existing improvements.
  - B. Menorah will obtain a capital advance funding award from the United States Department of Housing and Urban Development (HUD) under the Section 202 program or otherwise secure financing commitments from lenders or other sources under terms and conditions that will allow approximately 45 of the housing units to be developed as affordable to senior citizens of very low income (as that term is defined by the United States Department of Housing and Urban Development), in order to satisfy the requirements of Government Code section 26227 and other applicable law.
  - C. A purchase price of \$2,000,000 allocated \$400,000 to the commercial portion and \$1,600,000 to the residential portion, consisting of option consideration of \$5,000 to apply to the purchase price, a payment of \$395,000 in cash on closing, and the

balance of \$1,600,000 in the form of a residual Receipts Note secured by a Deed of Trust on the fee interest in the residential portions of the Project, such Note and Deed of Trust to be in a form acceptable to HUD.

- D. An environmental finding that the Project is in compliance with the California Environmental Quality Act by the City of Los Angeles as lead agency.

NOW, THEREFORE, in consideration of the foregoing recitals, which are hereby deemed a contractual part hereof, and for other good and valuable consideration, the parties hereto agree as follows:

1. Option Agreement.
  - 1.1 Grant Option. This Agreement shall constitute an option affording Menorah the exclusive right to acquire the Property, subject to the terms contained herein, for the period set forth herein (the "**Option**"). Menorah shall pay a \$5,000 non-refundable fee as consideration for this Option.
  - 1.2 Option Term. This Option shall be exercisable by Menorah during an initial term commencing from the date of the execution of this Agreement, and terminating at 5:00 p.m., Pacific Standard Time (PST), on May 1, 2009 ("**Initial Term**"). This Option shall be automatically renewed and extended one (1) additional term of 365 days ("**Additional Term**"), provided Menorah is diligently pursuing the jurisdictional approval necessary from the City of Los Angeles to build the Project and the financing necessary to construct the Project (pursuant to Recitals paragraph 4). The Additional Term of this Option shall terminate at 5:00 p.m., PST, on the 365th day unless extended in writing by the parties before that date and time.
  - 1.3 Exercise of Option. Upon Menorah's election to exercise the exclusive Option to acquire the Property, the parties hereto, pursuant to Government Code section 26227 and other applicable law, will effectuate a transfer of the Property in exchange for payment as provided in sub-paragraph 1.4 below.
  - 1.4 Purchase Price. Upon Menorah's exercise of its Option, the purchase price for the Property shall be \$2,000,000 (the "**Purchase Price**") of which \$5,000 collected pursuant to paragraph 1.1 above shall be credited towards the Purchase Price; \$395,000 shall be paid in cash; and the remaining balance shall be secured by a Residual Receipt Note ("the Note") in the form attached as Exhibit "B." The Note shall be secured by a Deed of Trust and both the Note and the Deed of Trust shall be subject to HUD approval and shall be subordinate to the HUD or other construction or permanent financing documents. The \$395,000 shall be paid in the form of a certified check payable to the County of Los Angeles ("Down Payment").

1.5 Contingencies. Menorah's exercise of its Option is subject to the following conditions:

1.5.1 Execution of this Agreement by the County's Board of Supervisors;

1.5.2 Within 90 days of the date first above written, Menorah shall submit an application to HUD for capital advance funding under the Section 202 Supportive Housing for the Elderly Program; or at the first funding opportunity of 2008, an application to the California Tax Credit Allocation Committee for an allocation of funds under the Low Income Housing Tax Credit Program, and/or to obtain other governmental and/or institutional funding for the Project as needed to develop the property for low-income senior housing;

1.5.3 County's receipt of written notification that financing has been secured sufficient to construct the Project (pursuant to Recitals paragraph 4);

1.6 Manner of Exercise of Option. Provided Menorah is not in default hereunder and the conditions set forth in paragraph 1.5 of this Section have been satisfied, Menorah may exercise its Option to acquire the Property by delivering written notice (pursuant to paragraph 5 herein below), to County of Menorah's exercise of its Option during the Initial Term or Additional Term (pursuant to paragraph 1.2).

1.7 Automatic Termination. In the event Menorah does not receive the financing necessary to construct the Project (pursuant to Recitals paragraph 4), by the date the Initial Term expires, or the Additional Term expires (pursuant to paragraph 1.2), the Option shall expire without any prior notice by Menorah or County, and all rights of Menorah in the Property shall then and there cease.

1.8 Failure to Exercise Option. In the event Menorah receives the financing during the Initial Term or the Additional Term and fails to exercise its Option in accordance with the terms herein by the expiration of the Initial Term or Additional Term, as applicable (pursuant to paragraph 1.2), Menorah shall not have any interest whatsoever in the Property.

2. Condition of Property.

2.1 "As Is" Sale. The parties each acknowledge that the Property being conveyed is being sold "as is" solely in reliance on Menorah's own investigation of the Property, and the improvements thereon, and that no representation or warranties of any kind whatsoever, express or implied, have been made with respect to the Property or the improvements thereon, by the County. Menorah has been given the full opportunity to inspect the Property and the improvements thereon prior to execution of this Agreement, and will be given the opportunity to re-inspect the Property prior to Closing. Menorah shall bear sole responsibility for the removal of all contaminated materials, toxic or hazardous substances, and asbestos, if any,

on the Property pursuant to the terms of this Agreement. Further, Menorah agrees that it shall not bring onto the Property any contaminated materials, toxic or hazardous substances, and/or asbestos prior to Closing.

2.2 Use Restrictions. Menorah acknowledges that it is aware of all zoning regulations, other governmental requirements, site and physical conditions, and all other matters affecting the use and condition of the Property, and agrees to accept the respective Property being acquired in that condition.

2.3 Property License. Menorah hereby acknowledges that that a portion of the parking structure located on the Property is licensed for use for automobile parking, the provisions of which provide for cancellation at anytime upon 30 days written notice. Menorah will not cause the disruption of this use or County's right to collect rents derived from this use, nor will Menorah prohibit County from entering into future license agreements for the Property during the Initial Term or Additional Term (pursuant to paragraph 1.2) provided that such additional licenses contain a provision allowing cancellation upon 30 days notice. County agrees to give thirty (30) days notice of cancellation under any license agreement within ten (10) working days following exercise of the Option by Menorah.

3. Transfer of Property Interests.

3.1 Escrows. Upon Menorah's Exercise of its Option, the parties agree that County shall complete the closing and record the deed thereby acting as escrow holder ("Escrow Holder"), and this Agreement shall constitute the basic escrow instructions for the purpose of consummating the transactions contemplated by this Agreement.

County agrees that the documents to be recorded will be recorded by the title company issuing the new Owner(s) and lenders title insurance policies so that HUD or other lender documents can be recorded concurrently with the documents required by this Agreement and be recorded concurrently with the HUD initial closing

3.2 Execution of Additional Escrow Documents. Menorah shall execute and deliver to Escrow Holder, within two (2) business days after receipt, such additional documents as may be required to consummate the transactions contemplated by this Agreement.

3.3 County shall cause to be recorded a quitclaim deed for the Property in the form of Exhibit "C" duly executed and acknowledged by County and shall also cause to be recorded the Deed of Trust in the form approved by HUD duly executed and acknowledged by Menorah. Menorah shall be responsible for drafting the legal descriptions that will be used to accomplish the division of the Property into commercial and residential portions. Upon request of Menorah, County shall record separate Deeds for the residential and commercial parcels in

accordance with Section 8.13 hereof. Within 20 days of the date of Menorah's exercise of the Option, Menorah shall deposit with Escrow Holder the funds specified in paragraph 1.4 and the executed Residual Receipts Note and Deed of Trust. The quitclaim deed to the residential portion of the Property shall contain a use restriction that such portion of the Property developed for residential purposes shall remain affordable to senior households as defined by HUD under its section 202 program during the 40 year period of the HUD capital advance and thereafter for an additional 15 years be affordable to senior citizens as defined in Civil Code Section 51.3 of very low income. The commercial portion of the Project will have a restriction placed upon it providing that in the event the original owner sells the Property at any time following the completion of construction any profit made on the sale after expenses (which will be limited to original owner's cost of construction; capital improvements; real estate commissions paid and other costs typically assessed to seller in a sales transaction) will be split 50/50 between the County and the original owner. After the 55 year period these restrictions shall become void. Any deed restrictions on the residential portion of the Property shall comply with HUD requirements and be subject to HUD approval.

- 3.4 Condition of Title. Menorah understands that the Property is being sold without any warranty regarding the condition of title to the Property; Menorah accepts all matters of record and understands that County will not provide a policy of title insurance and makes no representations or warranties as to condition of title.
- 3.5 County's Conditions to Closing. County's obligation to consummate the transaction contemplated by this Agreement is conditioned upon Menorah's representations, warranties and covenants set forth in this Agreement being true and correct as of the Closing. Upon non-satisfaction of this condition, County shall allow Menorah a reasonable opportunity to cure by any reasonable method; if Menorah fails to cure, County may, in writing, terminate this Agreement and the parties shall have no further obligations pursuant to this Agreement.
- 3.6 Menorah's Conditions to Closing. Menorah's obligation to consummate the transaction contemplated by this Agreement is conditioned upon: (i) County's recordation of the Deed(s) for the Property and the Deed of Trust; (ii) County's representations, warranties and covenants being true and correct as of the Closing; and (iii) the approvals referred to in Recitals Section 4A and 4B have been obtained. Upon non-satisfaction of any one of the above conditions, Menorah shall allow County a reasonable opportunity to cure by any reasonable method; if County fails to cure, Menorah may, in writing, terminate this Agreement, and thereafter the parties shall have no further obligations pursuant to this Agreement.
- 3.7 Loss by Fire or Other Casualty. If, at any time during the period between the exercise of Menorah's Option and the Closing, the improvements on the Property or any part thereof, are destroyed or damaged, Menorah shall complete this

transaction. Furthermore, County shall not be obligated to repair or reconstruct any improvements on Property, however, if County elects to cause the repair or reconstruction of the loss, Menorah shall be entitled to conduct such inspections as it deems appropriate at all times during the course of the repair or reconstruction.

- 3.8 Closing. For purposes of this Agreement, the "Closing" shall be defined as the recordation of each of the Deed (s) and deed of Trust in the Official Records. The parties agree to use their best efforts to effect the Closing no later than thirty (30) business days following Menorah's exercise of its Option. The parties may agree in writing to extend the Closing beyond that date, if such an extension appears to either party to be necessary.

4. Possession.

- 4.1 Menorah's Possession of Property. Menorah shall be entitled to possession of the Property as of the Closing. County shall provide Menorah with keys or other means necessary to operate all locks and alarms on the Property. Prior to Closing Menorah shall be entitled to access the Property for purposes of performing due diligence related to investigation of the Property for the intended uses and for no other purposes. The parties agree to execute the Permit to Enter similar in format to the attached hereto as Exhibit D which is incorporated herein by this reference.
